5th INTERNATIONAL CONFERENCE OF LASER,
AESTHETIC MEDICINE AND SURGERY (ICLAS)

INNOVATIVE AESTHETICS, BRIDGING WORLDS

Dear esteemed members,

This is Hyoung-Moon Kim, M.D., PhD, President of ICLAS.

As we welcome 2025, I extend my best wishes for peace and prosperity to the homes and workplaces of all our members.

ICLAS, the international organization hosted by the Korean Association of Laser, Dermatology, and Trichology (KALDAT), is making significant strides this year with a more specialized and distinguished profile.

As a leading organization in the K-Beauty industry, we plan to expand our international influence significantly. This year marks the full realization of ICLAS's internationalization strategy, with plans to host conferences and seminars not only in Korea and Thailand but also in other major Asian countries, such as Japan.

The conference will feature over 100 high-quality lectures on various topics, including the latest laser technologies, cosmetic surgery trends, and groundbreaking research in dermatology. We will also live-stream special sessions featuring authorities in anatomy and plastic surgery, offering participants a valuable opportunity to acquire anatomical knowledge and skills that can be directly applied to clinical practice.

In addition, we aim to strengthen connections with domestic and international medical professionals and business partners through a variety of programs, including live talk shows, gala dinner parties, hospital tours, and corporate tours.

We will kick off with the **ICLAS International Scientific Conference in Bangkok, Thailand, on April 25th and 26th, 2025**. I warmly invite your interest and participation in ICLAS's international events, which will be held in various countries throughout the year.

Together with the entire ICLAS Board of Directors, I wish you all great success this year and hope that 2025 will be a year of growth and development for everyone.

Thank you.

Best regards,

Sincerely,

Hyoung-Moon Kim, M.D., PhD

INNOVATIVE AESTHETICS, BRIDGING WORLDS

Dear Esteemed Colleagues,

I am Wook Oh, M.D, the Chairman of ICLAS.

It is my great honor and privilege to welcome you to the 5th ICLAS Conference. As the Chairman, I am truly delighted to extend my heartfelt greetings to each and every one of you who has traveled from around the world to be part of this prestigious gathering.

ICLAS serves as a vital platform where esteemed professionals in aesthetic and laser medicine come together to share knowledge, discuss the latest advancements, and foster meaningful collaborations. With our commitment to excellence and innovation, we continue to push the boundaries of our field, ultimately striving to enhance patient care and medical practice.

This year's conference promises to be an enriching and inspiring experience, featuring world-class lectures, groundbreaking research, and invaluable discussions. I sincerely hope that you will find the sessions insightful and the interactions with fellow experts both stimulating and rewarding.

I would also like to express my deepest gratitude to our distinguished speakers, dedicated organizers, and all participants whose contributions make this event possible. Your presence and engagement are what drive the success of ICLAS, and I am confident that together, we will make this conference a truly memorable and impactful one.

Furthermore, I sincerely hope to see you again at the 6th ICLAS, which will be held this November in Seoul, South Korea. It would be a great pleasure to welcome you once more and share another wonderful experience together.

Once again, welcome to the 5th ICLAS Conference. May this gathering be filled with knowledge, inspiration, and fruitful exchanges. I wish you a productive and enjoyable time.

With my warmest regards,

Wook Oh, MD.

the Chairman of the International Conference of Laser,
Aesthetic Medicine, and Surgery (ICLAS).
